Take a breath, take it deep
Calm yourself, he says to me
If you play, you play for keeps
Take a gun, and count to three
I'm sweating now, moving slow
No time to think, my turn to go

[Chorus]

And you can see my heart beating
You can see it through my chest
And I'm terrified but I'm not leaving
Know that I must must pass this test
So just pull the trigger

Say a prayer to yourself
He says close your eyes
Sometimes it helps
And then I get a scary thought
That he's here means he's never lost

(Chorus)

As my life flashes before my eyes
I'm wondering will I ever see another sunrise?
So many won't get the chance to say goodbye
But it's too late too pick up the value of my life

(Chorus)
