[Verse 1]

Sell me candy like it's summer when it's melting in
my hands
I know you're around like the ice cream man
I can hear you calling, whisper something in my ear
You seem like sugar, tell me what I wanna hear
I'm weak by your touch and when it's melting on my
lips
I run through my body when you lick my fingertips
You're selling me a fantasy that I want to explore
It sounds so good spoil me rotten to the core

[Bridge]

Talk to me
Take care of my dreams
All I need
Is you beside me
It's destiny
Just let it be
If words can speak
Then baby sell it to me

[Chorus]

Sell me candy, Sell me love, Sell me heaven, Sell me
doves
What's the charge? What's the cost?
(I'm your daddy)... you da boss.

[Verse 2]

You could be a professional, boy you make a sale
I try to resist but every time I fail
The one temptation that I gotta endure
The running through my garden now you're knocking
at my door
Forbidden little kiss you can call it bitter sweet
But the shawty that you're rockin' with ain't nothin' like
me
You're selling me a fantasy that I want to explore
It sounds so good spoil me rotten to the core (you
know...)

[Bridge]

Talk to me
Take care of my dreams
All I need
Is you beside me
It's destiny
Just let it be
If words can speak
Then baby sell it to me

[Chorus]

Sell me candy, Sell me love, Sell me heaven, Sell me
doves
What's the charge? What's the cost?
[I'm your daddy]... you da boss.

[Verse 3]

I wanna play... more than you know
So don't you leave... and don't you go
I want it all... until time falls
These arms... won't hold you wrong
I want to love... give him my trust
I want to live... for both of us
I want to breathe you... lay on your shoulder
I want to warm you... when nights get colder
I want love... love... love
I want love... love... love

[Bridge]

Talk to me
Take care of my dreams
All I need
Is you beside me
It's destiny
Just let it be
If words can speak
Then baby sell it to me

[Chorus]

Sell me candy, Sell me love, Sell me heaven, Sell me
doves
What's the charge? What's the cost?
(I'm your daddy)... you da boss.
