[Verse 1]

I've been looking for a driver who is qualified

So if you think that you're the one, step into my ride.

I'm a fine-tuned supersonic speed machine

With a sunroof top and a ganster lean

[Bridge]

So if you feel it let me know, know, know.

Come on now what you're waiting for, for, for.

My engine's is ready to explode, explode, explode.

So start me up and watch me go, go, go

[Chorus]

got you where you wanna go, if you know what I mean.

Got a ride that's smoother than a limousine.

Can you handle the curves? Can you run all the lights?

If you can baby boy, than we can go all night.

Cos I'm 0 to 60 in three point five

Baby you got the keys.

Now shut up and drive

(drive, drive, drive)

Shut up and drive

(drive, drive, drive)

[Verse 2]

I got class like a 57 cadillac.

Got a drive but a whole lot of boom in the back.

You look like you can handle what's under my hood.

You keeping saying that you will boy I wish you would.

[Bridge]

So if you feel me let me know, know, know.

Come on and what you're waiting for, for, for.

My engine's ready to explode, explode, explode.

So start me up and watch me go, go, go

[Chorus]

Got you where you wanna go if you know what I mean.

Got a ride that's smoother than a limousine.

Can you handle the curves? Can you run all the lights?

If you can baby boy, than we can go all night.

Cos I'm 0 to 60 in three point five

Baby you got the keys-

Now shut up and drive

(drive, drive, drive)

Shut up and drive

(drive, drive, drive)

Cos you play that game, got what I got(Get it get it)

Don't stop, It's a sure shot

Ain't no ferrari huh boy I'm sorry

I ain't even worried so step inside

And ride, ride, ride, ride, ride, ride...

[Bridge]

So if you feel me let me know, know, know.

Come on and what you're waiting for, for, for.

My engine's ready to explode, explode, explode.

So start me up and watch me go, go, go

[Chorus]

Catch your way wanna go, if you know what I mean.

Got a ride that's smoother than a limousine.

Can you handle the curves? Can you run all the lights.

If you can baby boy, than we can go all night.

Cos i'm 0 to 60 in three point five

Baby you got the keys-

Now shut up drive

(drive, drive, drive)

Shut up and drive

(drive, drive, drive)

Now shut up and drive

(drive, drive, drive)

Shut up and drive

(drive, drive, drive)
