im alone and chillin on a strain
got no one to tell me what to do can keep
just no restriktins can drop me incane
and im feeling like a bird who just feel like a cat

im flying so high
could u be the typ
and cathes my ey
keep on look u again
and now i feel free
baby counted next to me
and change the scene

i think im likin to beeing single
single single single
i can be what i want, what i want to
single single single
and im taking to u that i got to
single single single
even dance for me but u dont have to
single single single
i think im liking beeing single

baby no once gotta hold me back
i'll be akting like an animal about to a tax
so amazing couse i be relaxe
all the turnin of the volume even bumping the track
im feeling alive
i can keep this beats insinde
there creepin my mind
all u realy drop this
ure leting me go
im not properdy u know
on sippin the cloth

i think im likin to beeing single
single single single
i can be what i want, what i want to
single single single
and im taking to u that i got to
single single single
even dance for me but u dont have to
single single single
i think im likin beeing single
single single single
i can be what i want, what i want to
single single single
and im taking to u that i got to
single single single
even dance for me but u dont have to
single single single
i think im likin beeing single

i think im likin beeing single
single single single
i think im likin beeing single
single single single

u can hold me down
i got a place to be
im enjoy ure live u set me free
got no one to know
anywhere i go

i think im like to beeing single
single single single
i can be what i want, what i want to
single single single
and im taking to u that i got to
single single single
even dance for me but u dont have to
single single single
i think im liking beeing single
single single single
i can be what i want, what i want to
single single single
i think im liking beeing single
