Sell me candy like it's summer when it's melting in my hands
I know you're around like the ice cream man
I can hear you calling, whisper something in my ear
You seem like sugar, tell me what I wanna hear
I'm weak by your touch and when it's melting on my lips
I run through my body when you lick my fingertips
You're selling me a fantasy that I want to explore
It sounds so good it's got me rockin' through the core

[Bridge]

Talk to me
Take care of my dreams
All I need
Is you beside me
It's destiny
Just let it be
If words can speak
Then baby tell it to me

[Chorus]

Sell me candy, Sell me love, Sell me hope, Sell me doves
What's the charge? What's the cost?
(I'm the daddy)? you the boss.

[Verse 2]

You could be a professional, boy you make a sale
I try to resist but every time I fail
he one temptation that I gotta endure
The running through my body now you're knocking at my door
A thin little kiss and your call is really sweet
But the shawty that you're rockin is nothing like me
You're selling me a fantasy that I want to explore
It sounds so good it's got me rockin through the core
(you know?)

[Bridge]

Talk to me
Take care of my dreams
All I need

Is you beside me

It's destiny
Just let it be
If words can speak
Then baby tell it to me

[Chorus]

Sell me candy, Sell me love, Sell me hope, Sell me
doves
What's the charge? What's the cost?
[I'm the daddy]? you the boss.

[Verse 3]

I wanna play? more than you know
So don't you leave? and don't you go
I want it all? until time falls
His arms? I want to roam
I want to love? give him my trust
I want to live? for both of us
I want to breathe you? lay on your shoulder
I want to warm you? when nights get colder
I want love? love? love
I want love? love? love

[Bridge]

Talk to me
Take care of my dreams
All I need
Is you beside me
It's destiny
Just let it be
If words can speak
Then baby tell it to me

[Chorus]

Sell me candy, Sell me love, Sell me hope, Sell me
doves
What's the charge? What's the cost?
(I'm the daddy)? you the boss.
