(Here we go)

Ho! La la la  
Ho! La la la  
Ho! La la la  
Ho la, ho la, ho la, ho la

Ho! La la la  
Ho! La la la  
Ho! La la la  
Ho la, ho la, ho la, ho la

You said we girls but all the while  
You look at my man with a funny smile  
Now I don't know it might be me  
But ain't no need to hug so tightly

That night we all hanging at the club  
You tell Mr. D.J. wanna rub a dub  
When I don't look you a chance  
To ask my man to come and dance

What me and he got is solid as a rock  
So take your shot  
Don't even waste your time  
'Cause a love like ours is hard to find

'Cause he got me singing that la la la  
Our love is strong yes it's keeping me fortified  
Oh yes, he keep it rocking like la la la  
(Sing!)  
Ladies get it right, better get it right

He got me singing that la la la  
So fall back, don't be hatin', you can't deny  
Oh yes, he keep it rocking like la la la  
(Sing!)  
Ladies get it right, better get it right

I hope you take this as a lesson learned  
This ain't that kind of party so just let it burn  
The next time you see me act like you know

I don't play those games or tell no palour jokes

What me and he got is solid as a rock  
So take your shot  
Don't even waste your time  
'Cause a love like ours is hard to find

'Cause he got me singing that la la la  
Our love is strong, yes it's keeping me fortified  
Oh yes, he keep it rocking like la la la  
(Sing!)  
Ladies get it right, better get it right

He got me singing that la la la  
So fall back, don't be hatin', you can't deny  
Oh yes, he keep it rocking like la la la  
(Sing!)  
Ladies get it right, better get it right
