Te amo, te amo
She says to me, I hear the pain in her voice
Then we danced underneath the candelabra she takes
the lead
Thats when i saw it in her eyes its over

Chorus
Then she says te amo then she put her hand around
me waist
I told her no,
She cries Te amo i told her im not gonna run away but
let me go
My soul is crying, without asking why
I said te amo, wouldnt somebody tell me what she said
Dont it mean I love you
Think it means I love you
Dont it mean I love you

Te amo, te amo, shes scared to breathe
I hold her hand, i got no choice uhh
Pull me out on the beach, danced in the water, i start to
leave
Shes begging me and asking why its over

Chorus
Then she says te amo then she put her hand around
me waist
I told her no,
She cries Te amo i told her im not gonna run away, but
let me go
My soul is crying, without asking why
I said te amo, wouldnt somebody tell me what she said
Dont it mean I love you
Think it means I love you
Dont it mean I love you
Think it means I love you

Then she says te amo then she put her hand around
me waist
I told her no,
She cries Te amo i told her im not gonna run away but

let me go
My soul is crying, without asking why
I said te amo, wouldnt somebody tell me what she said
Dont it mean I love you
Think it means I love you
Dont it mean I love you
Dont it mean I love you
Think it means i love you
