Terrible,torture,tacky,irrepressible

Oh!

The first day I stepped in ur house,it was a mess  
The first day I broke up with a person,it was based on  
stress,  
Please don't make me feel that way again,  
All I'm asking for is a friend

My last guy was T.T.T.I,  
Knew he was bad but he was gonna cry,  
I couldn't let him go the very first day,  
He would die if I left him astray

Cares too much about himself  
Hurts me physically and emotionally  
Really thinks he runs the relationship  
I am about to quit  
Sorry but goodbye

Terrible  
Torture  
Tacky

Irrepressible

My last guy was T.T.T.I,  
Knew he was bad but he was gonna cry,  
I couldn't let him go the very first day,  
He would die if I left him astray

Got him a new gal,  
1 who wants to play his game,  
I moved on,  
I let him go today

Don't treat me like he did,honey  
Don't let yourself only think about yourself,cars,and  
money

Chorus

Ooooh!
