I used to think that you were beautiful and now
sometimes I'm scared at just the sight of your face
It's like the monster that I thought was in my closet
called my daddy here to scare him away
You're hangin out at night with the ghouls and goblins
leavin me here all by myself
You used to be just like prince charming now you got
me screamin for help

[Hook]: I used to think that you were pretty
I used to think that you were beautiful
It used to be just like a fantasy but now it's nothin but a
horror picture show
cuz you're so
ugly
ugly
ugly
You're so, U.G.L.Y. you ain't got no alibi you ugly, uh uh
you ugly

I used to think you were my knight in shinin armor just
to find out that chivalry's dead
Just when i thought i had my feet on the ground I turn
around it's all up in the air
Now it's beauty & the beast when you are changin like
the seasons
plus the rumors make you look like freddie kruger
sorry baby I can't do it no more, I remember

[Hook]

All my ladies if you feel me yea
let me see you put ya hands up high
If you're in love with a stranger yea
because he turned into a different guy
ugly
ugly
ugly
ugly
plus the rumors make you look like freddie kruger
sorry baby I can't do it no more, I remember
