[Jay-Z]

(Uh huh, uh huh) Remix

(Uh huh, uh huh) Yea Rihanna, Chris Brown

(Uh huh, uh huh) Good girl gone bad

(Uh huh, uh huh) Take three... Action!

(Uh huh, uh huh) Hov!

No clouds in my stones

Let it rain, I hydroplane into fame (Eh, eh, eh)

Coming down with the Dow Jones

When the clouds come we gone

We roc-a-fella (Eh, eh, eh)

We fly higher than weather and G5's are better

You know me, an anticipation for precipitation

Stacks chips for the rainy day (Eh, eh, eh)

Jayy

Rain man is back with little miss sunshine

Rihanna where you at?

[Rihanna]

You had my heart

We'll never be worlds apart

Maybe in magazines but you'll still be my star

Baby 'cause in the dark you can't see shiny cars

And that's when you need me there

With you I'll always share because

[Chorus][Rihanna]

When the sun shine we'll shine together

Told you I'll be here forever

Said I'll always be your friend

Took an oath, I'mma stick it out 'til the end

Now that it's raining more than ever know that we'll still
have each other

You can stand under my umbrella

You can stand under my umbrella (ella ella eh eh eh)

Under my umbrella (ella ella eh eh eh)

Under my umbrella (ella ella eh eh eh)

Under my umbrella (ella ella eh eh eh eh eh-eh)

[Chris Brown]

You're becoming a dream to me
Fairytale fantasy
Nothing can ever compare
An image to my memory
Girl I'm asking could you be my queen?
A vision on a magazine
That's when I'll be there
It's something we both share
Because

[Chorus][Chris Brown]

When the sun shine, we'll shine together
You know I'll be here forever
Although it's alot of rain outside
Girl it's getting late you can stay the night
But you can dip out anytime whenever
I can call a car I ain't tryna stress ya
I'm looking for the one with the glass slipper
Baby girl you can be my Cinderella (ella ella eh eh eh)
You can be my Cinderella (ella ella eh eh eh)
You can be my Cinderella (ella ella eh eh eh)
You can be my Cinderella (ella ella eh eh eh eh eh eh)

[Both]

You can run into my arms
It's okay don't be alarmed
Come into me
There's no distance in between our love
So go on and say my name some more
I'll be all you need and more (ah.. you ready?)
Because

[Chorus]

When the sun shines, we'll shine together
Told you I'll be here forever
Said I'll always be a friend
Took an oath, I'mma stick it out 'til the end
But you can dip out anytime whenever
I can call a car I ain't tryna stress ya
I'm looking for the one with the glass slipper
Baby girl you can be my Cinderella ella ella eh eh eh
Under my umbrella ella ella eh eh eh
You can be my Cinderella ella ella eh eh eh
Under my umbrella ella ella eh eh eh eh eh eh

It's raining (rainin')
Ooh baby it's raining (rainin')
Baby come into me (oh)
Come into me
It's raining (Rihanna)
Oh baby it's raining (Rihanna)

You can always come into me
Come into me
