I very few people loved.
The second has bothered, the third has forgotten,
The fourth has disappeared on Tuesday,
The first almost I remember nothing.
But fifth my completely not such,
In his hands I conceal as snow.
Me carries away the warm river, in skies...

Chorus:

And I have forgiven, I have forgiven him
Again, again, again.
About as I tired with you,
My attempt number 5.
And I have forgiven, I have forgiven him
In vain probably.
Now I suffer from it,
Losing independence.

Friends asked plaintively:

"Robyn, escape yet late".
"Keep from it far away" -
It is sad the best friend has told.
But fifth my completely not such,
In his hands I conceal as snow.
Me carries away the warm river, in skies...

Chorus:

And I have forgiven, I have forgiven him
Again, again, again.
About as I tired with you,
My attempt number 5.
And I have forgiven, I have forgiven him
In vain probably.
Now I suffer from it,
Losing independence.

And I have forgiven, I have forgiven him
Again, again, again.
About as I tired with you,
My attempt number 5.
And I have forgiven, I have forgiven him
In vain probably.

Now I suffer from it,
Losing independence.
