Won't say a thing,
About the way you love me
But, I like the way
I love the way you touch me
If I toot it leave it, toot it up
Then I drop it, drop it
Till ya making faces
And look like you wanna
Tell me stop it
Imma do it do it do it
Till you can't take no more
Till my lipstick ain't up on my face no more

Imma do it do it do it
On the bed on the floor on the couch
Only cause your lips ain't make it to my mouth
Just because I can't kiss back
Doesn't mean you can't kiss that

Oh, baby, baby, just like that
Slow, baby, baby, just like that
Oh, baby, baby, turn me out
Oh, baby, baby, it's your turn now

It's your turn now, it's your turn now
It's your turn now, it's your turn now
Watch and learn now, Watch and learn how
Watch and learn now, eh eh eh

Oh, baby, baby
Oh, baby, baby
If you learn how, if you learn now
If you learn how, i'll stay

Don't ask me if
You were the first to sleep here
Cause if he did, you wouldn't even be here

If I toot it leave it, toot it up
Then I drop it, drop it
Till ya making faces
And look like you wanna

Tell me stop it
Imma do it do it do it
Till you can't take no more
Till my lipstick ain't up on my face no more

Imma do it do it do it
On the bed on the floor on the couch
Only cause your lips ain't make it to my mouth
Just because I can't kiss back
Doesn't mean you can't kiss that

Oh, baby, baby, just like that
Slow, baby, baby, just like that
Oh, baby, baby, turn me out
Oh, baby, baby, it's your turn now

It's your turn now, it's your turn now
It's your turn now, it's your turn now
Watch and learn now, Watch and learn how
Watch and learn now, eh eh eh

Oh, baby, baby
Oh, baby, baby
If you learn how, if you learn now
If you learn how, i'll stay

Come put my love against your kiss
Na Na Na, La la la, just like this
Now now, don't be shy
Baby all I need
Oh, do it on me
Like you aim to please
Show me how much you need me
By the way you please me baby

Imma do it do it do it
On the bed on the floor on the couch
Only cause your lips ain't make it to my mouth
Just because I can't kiss back
Doesn't mean you can't kiss that

Oh, baby, baby, just like that
Slow, baby, baby, just like that
Oh, baby, baby, turn me out
Oh, baby, baby, it's your turn now

It's your turn now, it's your turn now
It's your turn now, it's your turn now
Watch and learn now, Watch and learn how
Watch and learn now, eh eh eh

Oh, baby, baby
Oh, baby, baby
If you learn how, if you learn now
If you learn how, i'll stay
