Dang gurl, got me hooked  
Why you thinkin' about leavin'  
What what, you goin' away, nah nah nah  
I need to know something right now

Where do we go from here?  
(Where do we go?)  
Where do we go from here?  
(Whoaaa)  
Where do we go from here?  
(Where do we, where do we go?)  
Where do we go from here?

You say, you like my kissin' 'n' my huggin'  
You say, you like the way that I be thuggin'  
I know it's only been a few weeks but I  
Feel like your apart of me

And if you really wanna know  
Just how far love can go  
But first you gotta prove an' show  
And what I wanna know is

Where do we go from here?  
We done about everythang  
Where do we go from here?  
I barely know your name

Where do we go from here?  
This love you say we share  
Where do we go from here?  
Let's talk about it, let's talk about it  
Yeah

I can't keep leavin'  
You tellin' me, you're gonna be leavin'  
(Wait a minute)  
I can't keep grievin'  
Please tell me, I'm dreamin'

But I really want you to know  
That I never felt like this before

So don't leave me in a world so cold  
'Coz it will be without you

Where do we go from here?  
We done about everythang  
Where do we go from here?  
I barely know your name

Where do we go from here?  
This love you say we share  
Where do we go from here?  
Let's talk about it, let's talk about it  
Yeah
