I've been everywhere, man
Looking for someone
Someone who can please me
Love me all night
I've been everywhere, man
Looking for you babe
Looking for you babe
Searching for you babe

Where have you been?
Cause I never see you out
Are you hiding from me, yeah?
Somewhere in the crowd!

Where have you been
All my life, all my life?
Where have you been, all my life?
Where have you been, all my life?
Where have you been, all my life?
Where have you been, all my life?

I've been everywhere, man
Looking for someone
Someone who can please me
Love me all night
I've been everywhere, man
Looking for you babe
Looking for you babe
Searching for you babe

Where have you been
Cause I never see you out
Are you hiding from me, yeah?
Somewhere in the crowd!

Where have you been
All my life, all my life?
Where have you been, all my life?
Where have you been, all my life?
Where have you been, all my life?
Where have you been, all my life?

Where have you been, all my life

You can have all you want

Any way, any day
To show me where you are tonight

I've been everywhere, man
Looking for someone
Someone who can please me
Love me all night
I've been everywhere, man
Looking for you babe
Looking for you babe
Searching for you babe.
