Feel the adrenaline  
Moving under my skin  
It's an addiction  
Such an eruption

Sound is my remedy  
Feeding me energy  
Music is all I need

Baby I just wanna dance  
I don't really care  
I just wanna dance  
I don't really care.. care.. care

(Feel it in the air.. yeah)

She's been a crazy dicta  
Disco diva.. and you wonder  
Who's that chick? who's that chick?  
Too cold for you to keep her  
Too hot for you to leave her  
Who's that chick? who's that chick? (x3)

Back on the dancefloor  
Bad enough to take me home  
Base kicking so hard  
Blazing through my beating heart  
French kissing on the floor  
Heart is beating hardcore

Err-body's getting a little tipsy  
On the crazy juice  
This will end up in the news

Baby I just wanna dance  
I don't really care  
I just wanna dance

I don't really care.. care.. care

(Feel it in the air.. yeah)

She's been a crazy dicta  
Disco diva.. and you wonder  
Who's that chick? who's that chick?  
Too cold for you to keep her  
Too hot for you to leave her  
Who's that chick? who's that chick?

Ultrasexual  
The night has got me love sprung  
I won't stop until the sun is up oh yeah  
My heart is a dancer beating like a disco drum  
Oh oh uh oh

Ultrasexual  
The night has got me love sprung  
I won't stop until the sun is up oh yeah  
My heart is a dancer beating like a disco drum  
Beating like a disco drum.. beating like a disco drum..

She's been a crazy dicta  
Disco diva.. and you wonder  
Who's that chick? who's that chick?  
Too cold for you to keep her  
Too hot for you to leave her  
Who's that chick? who's that chick? (x3)
