[Rihanna]

No no no

You don't love me and I know now

No no no

You don't love me so let me go now

(I can't let you go, can't let you go)

If you ask me, baby

I shoulda left you along time ago, no

Players gonna play

A least thats what they say

Well I know that for myself now

(You know I love you)

You said you loved me babe

Then you played your game

A game that I know all to well now

Well I use to buy your lines

But it's time for me to sail now

No no no

You don't love me and I know now

No no no

You don't love me so let me go now

(I can't let you go, can't let you go)

If you ask me, baby

I shoulda left you along time ago, no

[Vybz Kartel]

First you tellin me no

But please tell me yes

without some of this stress

Straight up tell me yes

Gimme the keys to ya chest

Ya chest will rise neva rest

As ya chest you got me feelin like i'm climbin on Mount Everest

Hey Rihanna

Your lovin really put me to the test

But if you shoulda let me soon the answer will yes

Yes to this yes to that yes to whateva you suggest

So please say yes

No no no

[Rihanna]

Haters gonna hate

(let them hate)

I found out much too late
I think I know we're a little hot now
The truth leads to the lies
The heart ain't always right
And I see that love is blind now
Boy you used to have my trust
Without no trust there ain't no us boy

No no no
You don't love me and I know now
No no no
You don't love me so let me go now
(I can't let you go, can't let you go)
If you ask me, baby
I shoulda left you along time ago, no
