You  
make me  
better

I give it all I got  
to get to you

Can you  
take it?

I am all on you  
feel me coming trough  
I am all on you  
and that's why  
I am spending my emotions on you

Baby  
feel me  
Cause all I want to do  
is to do you right  
To touch you  
Feel you

I am all on you  
Feel me coming trough  
I am all on you  
And thats why  
I am spending my emotions on you

Im spending my emotions on you

"You You You You You"  
"Ohohohoh"  
All  
all on you  
All  
Iam all on you

Feel me coming trough  
coming trough  
coming trough  
coming trough

Baby

I am all on you  
Feel me coming trough  
I am all on you  
And thats why  
I am spending my emotions on you
