In the club
Everybody's busy acting superstars
Sippin' bub'
Suddenly I see you fronin' at the bar

Oh Lady I think I know your type
You wanna touch and go and tease all night
We'll be droppin' this game so tight
Playing hard to get
Playing hard to get

If I'm moving like this
Then you move it like that
Catch me if you can
Catch me if you can
If I rock you like this
Will you rock me right back?
Catch me if you can
Catch me if you can
Oh oh oh oh
oh oh oh oh

Catch me if you can
Catch me if you can

It's a shame
This game we play it always kills the glow
So what's your name
I'd like to know before I take you home, yeah

Oh Lady I think I know your type
You wanna touch and go and tease all night
We'll be droppin' this game so tight
Playing hard to get
Playing hard to get

If I'm moving like this

Then you move it like that
Catch me if you can
Catch me if you can
If I rock you like this

Will you rock me right back?
Catch me if you can
Catch me if you can
Oh oh oh oh
oh oh oh oh

Catch me if you can
Catch me if you can

That girl she's on my mind
this lady's really fine
So fancy dressed
her body blessed
I wanna make her mine

All I gotta do is wait until you learn
'cos you gotta get your game together girl
It's not so hard to understand
just catch me if you can

If I'm moving like this
Then you move it like that
Catch me if you can
Catch me if you can
If I rock you like this
Will you rock me right back?
Catch me if you can
Catch me if you can
Oh oh oh oh
oh oh oh oh

Catch me if you can
Catch me if you can
