I found the key now i want more
I read my letters from before
I dont know where or why i go
Cuz all i feel is all i know
Yeah i will contin' you forever until you lern to se
I'm whorteless Whithout you in completed

Ohoh, here i am
So take it all
Do you catsh me when i fall
When i'm reatsching out to you
I wanna be right where you are
Like the moon on the stars
Can you hold on to the love that i have
To be

I found the meaning of my life
Cuz through the art i came alive
I hope you always stand by me
Cuz i will always stand by you
Yeah i will contin you forever until you lern to se
I'm whorteless Whithout you in completed

Ohoh, here i am
So take it all
To you catsh me when i fall
When i'm reatsching out to you
I wanna be right where you are
Like the moon on the stars
Can you hold on to the love that i have
To be

Yes i'm sill here alone
I can make it on my own
Im whorteless whithout you in completed

Ohoh, here i am
So take it all
To you catsh me when i fall
When i'm reatsching out to you
I wanna be right where you are
Like the moon on the stars

Can you hold on to the love that i have
To be

From me to you
The love i have
From me to you
From me to you
From me to you
From me to you
