Cause together we're so good

Let 'em say what they wanna say
Let 'em hate if they wanna hate
Pay them no mind [mind mind mind]
We've been down this road before
Beat down fulls up the thrown
But we're just fine; fine fine

We wont let'em take us down
They can't break us now
Not ever
They said we would fade so fast
Rich and strong for that
I know it
That's the reason why

They afraid of us
Afraid of us
Afraid os us
The're afraid of us
Afraid of us [why]
Afraid of us

Cause were indestrutecval
So unstoppable
So enmoveable
Nothing you can do
They afraid of us
Afraid of us [why]
Afraid os us[why]
The're afraid of us [why]
Afraid of us
Afraid of us

Cause together we're so good

From the head to the greatest style Cause you women never get this far Who's laughing now? now now And we sloved many obsticles Feels like is impossible

But still somehow

You may call me stuff at night Your right by my side Forever I'll be right here by ur side Keep this love alive Forever! Someone tell me why

Chorous;

They afraid of us
Afraid of us yea
Afraid os us [I know]
The're afraid of us [why]
Afraid of us
Afraid of us

Cause were indestrutecval
So unstoppable
So enmoveable
Nothing you can do
They afraid of us
Afraid of us [why]
Afraid os us
The're afraid of us [why]
Afraid of us
Afraid of us

Cause together we're so good
We're like the perfect team
You and I know that I would do anything to protect this
love
It is like a perfect tree
Wanna keep sleeping
Feels like breathing
I wonder whyy

Chorous;

They afraid of us
Afraid of us yea
Afraid os us [I know]
The're afraid of us [why]
Afraid of us
Afraid of us
Cause were indestrutecval
So unstoppable
So enmoveable
Nothing you can do
They afraid of us
Afraid of us [why]

Afraid os us The're afraid of us [why] Afraid of us Afraid of us

Cause together w'ere so good They afraid of us Afraid of us [why] Afraid os us The're afraid of us [why] Afraid of us Afraid of us Cause were indestrutecval So unstoppable So enmoveable Nothing you can do They afraid of us Afraid of us [why] Afraid os us The're afraid of us [why] Afraid of us Afraid of us

Cause together we're so good Cause together we're so good
