I'm a bad man
(Bad man)

I'm a bad man giving bad men bad looks
Prince amongst thieves and crooks
Want bad women, bad cars, bad hoods, bad duels
I'm making my own rules

I'm a bad man giving bad men bad looks
Prince amongst thieves and crooks
Want bad women, bad cars, bad hoods, bad duels
Making my own rules

I'm a bad man
(Go to sleep now, could wake up in trouble)
I'm a bad man, bad men, bad looks
A prince amongst thieves, murderers and crooks

Juvenile from a good kid
What above a felony, and wake from a life bid
If I was born blind, being daddy's hustling child
Damn, I was born to be wild, ain't nobody gonna stop me?
I want it all 'til God shuts my eyes and they bury my body

(It's almost over, run, I'm talking to you)
(Y'all don't want nothing with me)
All day, all night, front of the store, my daddy's format
Tussle on this corner, hustle on this corner
Killers ran in his house, tied his spouse
Cocked the hammer back in a little boy mouth

Been fucked up ever since, Scar Murderer
Brought me and bust me a gun ever since
Roam the streets, no love
(The streets)
The streets changed me

I'm a bad man giving bad men bad looks
Prince amongst thieves and crooks
Want bad women, bad cars, bad hoods, bad duels

I'm making my own rules

I'm a bad man giving bad men bad looks
Prince amongst thieves and crooks
Want bad women, bad cars, bad hoods, bad duels
Making my own rules

I'm a bad man
You don't want to follow me
Nowhere to go, nowhere to hide
(Spit it all out, spit it all out, you holler)

I'm a bad, bad, bad, man
Watch out
I'm a bad, bad man
Fight Dirty

Go to sleep now
I like this part
You know where to find me
