This world is crazy
Holdin on tight, trying hard just to keep control
Dont let go
But dont worry baby
I'll show you tonight a way to sooth your soul
C'mon baby, let's go
Oh, I know your achin' baby
But im gonna hold you tight
Until you stop all this shakin'

CHORUS:

Put a little a** on it
(oh, you got to listen baby)
Put a little a** on it
(feel the smooth baby)
Put a little a** on it
(like a baby, like a baby)
Put a little a** on it
(listen, oh listen baby)

Everybody's running
Running to nowhere
Or just running away
Losing their way
But help is coming
Gotta have faith
In a better way
A brighter day
Oh, I know you're lost and searchin'
But now I'm gonna show you how
To stop all this hurtin'

CHORUS

I know the sun ain't where it's supposed to be
I know your heart was broke
But baby believe in me
I'm gonna show you something
That's gonna make it better
I just need you to follow
My prescription to the letter
