The lights go out,  
And I am lost without you.  
And when you're gone,  
I feel weak without you.

Your smile is so sweet,  
I can't live without you.  
You make me feel so amazing when I'm around you.

[Chorus]  
So I'll just go ahead and pray, you will come back to  
me.  
And maybe one day, I will come to you eventually,  
Eventually.

I need you like a heart needs a beat,  
Can't live without you.  
I'm going crazy everyday when I can't see you, can't  
see you.

So I'll just go ahead and pray, you will come back to  
me.  
And maybe one day, I will come to you eventually,  
Eventually.

So I'll just go ahead and pray, you will come back to  
me.  
And maybe one day, I will come to you eventually.

So I'll just go ahead and pray, you will come back to  
me.  
And maybe one day, I will come to you eventually,  
Eventually.
