On the case
I'm not tired
I'll be wired
A bit strung out
Never sleep
Gotta keep her
Hung out
Check a lead
Check a read..
Check a..
Check a....
Check a readout
Find a clue
And follow through
Then eat out
And now I'm clearing some confusion
Disappearing without a trace
I'm on the case
I'm on the case

What's your name?
What's your game?
The details like a cop
Can't stop
Empty trails
I suspect
And detect
A windup
Making sense
Evidence
Is lined up

Rainy night
Neon light
Reflection
In a store window
Saw a connection
In the dark
Shadow stark
Don't crack up
Work alone

On your own
No backup

Ovaltine
Nicotine
Stained fingers
?????????????
Collar up
Hat pulled down
Let's cool down
Truth and Justice
???? of freedom
All that must
Disguise it's face When I'm on the case I'm on the
case.....
