Words and music by : Daniel James Reising & Richard Patrick Reising

Intro:

My friends down in the fact'ry say I'm actin mighty strange

Its not that I look different, but somehow somethings changed

They ask me "Hows the wife & kids , I sayÃ¢â€Œ!We're all doin' great"

But head hung low I turn & just keep walkin through the gate

Chorus

Cuz when I'd get home from work each night

You were

always there to greet me ( alternate 2nd verse : At the door to greet me)

With so much love my troubles seemed to

Fade & Turn to Smiles

You'd smother me with kisses

Sitting in that big old chair

Life was so much better with you there

Verse

I been tryin'ta pass the time without ya'

But things just ain't the same

I stare at that old collar

Remembrin how I'd hollar out yer name

When I'd say, "C'mere boyÃ¢â€Œ!let's go for a ride"

You'd beat me to the car each time

With the windows down , wind blowin in your face

REPEAT CHORUS

SOLO

Bridge I know ya had to leave..but its so hard on me

To go on without my best friend

Chorus ( mod )

Now when I get home from work each night

Yer not there to greet me

Suddenly I'm Troubled and its

Hard for me to smile

Left with no more kisses

Sittin alone in our old chair  
Life was so much better,  
Life was so much betterÃ¢â€Œback when  
Final  
Chorus I'd get home from work each night  
& you were at the door to greet me  
With all that love that made my troubles  
Fade & turn to smilesÃ¢â€Œ  
Smother me with kisses  
Sittin in Our Big old chair  
Life was so much better with you there
