[Lyrics and Melodies by Mark Boals / Music by Tony MacAlpine]

[2002 Boalsongs BMI / Eyes on the Prize BMI]

Deep in the night you awaken  
To a feeling so alone  
Don't know which path you have taken  
Your surroundings so unknown

Are you still sleeping  
This can't be reality  
Your bed is floating on clouds on the open sea

Now, finally  
You can see  
That you are

Dreaming inside a dreamtower  
The dream within a dream  
Dreaming inside a dreamtower  
Nothing is what it seems

How many doors must you open  
'Til you find the (one) to escape  
All your words remain unspoken  
Memories have been erased

Are you still sleeping  
This can't be reality  
All (movements) frozen  
Now you have been chosen

To be  
Finally  
In the place that you are

Dreaming inside a dreamtower  
The dream within a dream  
Dreaming inside a dreamtower  
Nothing is what it seems

Suddenly elucidated

And your dreams have all gone away  
Everything so complicated  
It's so hard to ascertain

Are you still sleeping  
This can't be reality  
Look out your windowpane  
Now you are floating in space

Once again  
You can see that you are

Dreaming inside a dreamtower  
The dream within a dream  
Dreaming inside a dreamtower  
Nothing is what it seems  
(No!)

Dreaming inside a dreamtower  
The dream within a dream  
Dreaming inside a dreamtower  
Nothing is what it seems

(Dreaming that dream within a dream in Dreamtower  
Dreaming that dream within a dream in Dreamtower)
