In a dark world
You've been waiting so long
Now the feeling is so strong

Nowhere to go, nowhere to hide
Never surrender
Just keep fighting to survive

Try to break free
And someday you'll see
The true light of liberty
Like the rising of the sun
Shining on everyone

Run
The race has begun
Run
It's time to become
Undone

Like a time bomb
Slowly ticking away
Silently comes the rampage

Written in blood
All over the world
(There's) no peace
Until justice has been unfurled

Has to be all
Or nothing at all
Until the last drop falls
'Til the world becomes as one
'Til darkness is overcome

Run

The race has begun
Run
It's time to become
Undone

Try to break free
And someday you'll see
The true light of liberty
Like the rising of the sun
Shining on everyone

Has to be all
Or nothing at all
Until the last drop falls
'Til the world becomes as one
'Til darkness is overcome

(You get your) run
The race has begun
Run
(Now your) time has come
Run
It's time to become
Undone
