[2002 Boalsongs BMI / Vitalij Kuprij Music]

On a journey celestial
To a planet forbidden
All alone on a mission of hope
That's where I found you

Now forever you cast your spell of love on me
And I will love you 'til the end of time
Forever mine
Until the brightest stars fall from the sky

When galaxies die
I'll stand by
Our love will still survive

Whatever it takes
I'll dedicate
Into infinity

Until the end of time

I was lost in a shadowland
'Til I saw your light shining
Mesmerizing my mind with your thoughts
You were so beautiful

Now forever you, cast your spell of love on me
I will love you 'til the end of time
Forever mine
Until the brightest stars fall from the sky

When galaxies die
I'll stand by
Our love will still survive

Whatever it takes
I'll dedicate
Into infinity

When galaxies die
I'll stand by
Our love will still survive

Whatever it takes
I'll dedicate
Into infinity

Until the end of time
Until the end of time
