All right

You're feelin' down
You're feelin' blue
You do know that you care
But you don't know what to do

If your mama don't feel good
Or your daddy don't feel good
Take a dose of rock 'n' roll
And wash it down with cool, clear soul, aha

You better get your ripple soles out
Ease out all your mean controls
Take a dose of rock 'n' roll
And wash it down with cool, clear soul, aha

Turn on your radio
Start dancin' to the moon
That old heart radio
It's gonna get you, get you, get you in the mood
(Get you, get you, get you)

You better get your ripple soles out
Ease out all your mean controls
Take a dose of rock 'n' roll
And wash it down with cool, clear soul, aha

Turn on your radio
Start dancin' to the moon
That old heart radio
It's gonna get you, get you, get you in the mood
(Get you, get you, get you)

If your mama don't feel good
Or your daddy don't feel so good
Take a dose of rock 'n' roll
And wash it down with cool, clear soul, aha

Take a dose of rock 'n' roll
Take a dose of rock 'n' roll
Take a dose of rock 'n' roll

Wash it down with cool, clear soul, aha

Hey, hey, baby

(Dose of rock 'n' roll)

Why don't you take some rock 'n' roll?

(Take some rock 'n' roll)

Just take some rock 'n' roll

(Take some rock 'n' roll)

Oh, oh, take some

(Take some rock 'n' roll)

Oh, I'm gonna take it

(Take some rock 'n' roll)
