"Cookin' (In The Kitchen Of Love)"

Visit "[Cookin' \(In The Kitchen Of Love\)](#)" on MotoLyrics.com

Well I'm a-cookin'
Just a-cookin'
Cookin' in the kitchen of love
Cookin' in the kitchen of life, Lord Lord
Ain't nothin' to it, come on and do it, cookin'

Well I'm a-truckin'
Just a-truckin'
Truckin' down the highway of love
Truckin' down the highway of life, Lord Lord
Ain't nothin' to it, come watch me do it, truckin'

Well we're gonna have a party
(Bring yourself)
We're gonna have a party
(Just can't get enough)
We're gonna have a party
And do some layin' down

Well I'm a-rockin'
Just a-rockin'
I'm rockin' in the cradle of love
Rockin' in the cradle of life, Lord Lord
Ain't nothin' to it, come help me do it, rockin'

Well we're gonna have a party
I said we're gonna have a party
We're gonna have a party
And do some playin' 'round

Well it's got to be high, it's got to be low
'Cause in between we just don't go
Just gotta sing, ooh, gotta dance
Just gotta listen to the band

Hey hey hey, hey hey hey
Hey hey hey, hey hey hey
Hey hey hey, hey hey hey
Hey hey hey, hey hey hey

Well I'm a-dancin'
(Dancin')

Da-da-da-dancin'
(Da-da-da-dancin')
Well dancin' in the streets of love
Dancin' in the streets of life, Lord Lord
Ain't nothin' to it, I can do it, dancin'

Well we're gonna have a party
I said we're gonna have a party
We're gonna have a party
And do some layin' down

Well we're gonna have a party
(Bring yourself)
I said we're gonna have a party
(Just can't get enough)
Come on let's have a party
And do some layin' down

Oh Lord! I said we're gonna have such a beautiful
party!
Two three four, and do some layin' down

So glad you could make it
(Well I'm a-cookin' and a-truckin')
So glad you could come
(And a-rockin' and a dancin')
So glad you could make it
(And party all over this place!)
So glad you could come
(We're gonna call up some of my friends)
(And say you betta come on 'round)
(And it's gonna be wonderful!)

So glad you could make it
So glad you could come
So glad you could make it
So glad you could come
(Oh now, lots of chicken)
