Well, you gotta have soap to wash your sins away
You gotta have hope, it's the price you gotta pay
And you gotta give love or your love will walk away
And you gotta stay loose, it's the only way to stay

Down, you got me goin', goin' 'round, you got me goin'
down
Da-da down, da-da down

Down to the bottom, to the bottom of a hole, goin' down
Goin' down to the bottom, to the bottom of a hole, goin'
down
Down, got me goin', goin' 'round, got me goin' down
Goin' down, down, down

Goin' down to the bottom of a hole, goin' down
I'm goin' down to the bottom, to the bottom of a hole,
goin' down
Down, you got me goin', goin' 'round, you got me goin'
down
Da-da-da down

Down, you got me goin', goin' 'round, you got me goin'
down
You got me goin', goin' down
You got me goin', goin' down
I'm goin' down
