Elizabeth reigns
Over and under
Elizabeth reigns
Lightning and thunder
Elizabeth reigns
Since I was younger
She's head of the family
Elizabeth reigns over me

The Queen mum is dead
But she lives in my head
Since the world was at war
We all felt her pain
But never complained
We all loved her more

Elizabeth reigns
A letter unsent
Entombed in cement
And hung from the hanging tree
God save the Queen
If you know what I mean
We don't really need a king

Six hundred servants
Use her detergent
Scrubbing the palace floor
And all of your sins are
As big as the Windsors
So lets point our fingers
No more

Elizabeth reigns
Elizabeth reigns
Over me
