Remember when I said it don't come easy  
That seems so long ago  
Well nothing's changed  
And if you don't believe me  
Look out your window.

I wonder why, we gotta try  
To see eye to eye to eye  
What's mine is yours  
What's yours is mine  
When we see eye to eye to eye.

The world is spinning and our lives go faster  
It's getting out of control  
So don't lose sight or what we're going after  
It's in your heart and soul.

We'll never lose  
Why don't we choose  
To see eye to eye to eye  
If you begin  
We all can win  
When we see eye to eye to eye.

Let's fill the world with joy and laughter  
Do it now, there many be now after  
Peace and love, and harmony  
Now tell me how hard can it be  
It's easy, it's easy.

Remember when I said  
It don't come easy  
That seems so long ago.

I wonder why  
It's hard to try  
To see eye to eye to eye  
What's mine is yours  
What's yours is mine  
If we see eye to eye to eye.

We never lose

Why don't we choose  
We all can win  
If you beggin.

Eye to eye to eye  
Eye to eye to eye.
