Look at us baby
Up all night
Tearin' our love apart
Aren't we the same two people
Who lived through years in the dark.

Every time I try to walk away
Somethin' makes me turn and stay
I can't tell you why
No baby I can't tell you why
I can't tell you why

When we go crazy
It just ain't right
Baby I get lonely too
You don't have to worry
Just hold on tight
'Cause I love you.

Nothin's wrong as far as I can see
We make it harder than it has to be
I can't tell you why
No, No, I can't tell you why
I can't tell you why.

Every time I try to walk away
Somethin' makes me turn around and stay
Who makes me feel good at all

Why I love you
Why I need you
Why I love You

I'm gonna have you here on me
I'm gonna have you here by my side
Won't you help me
Won't you tell me
Baby I can't tell you why...
