Well if it's love that you want
I got love I can give
I'll give you love, love, love

You'll get all that I got
for as long as you live
I'll give you love, love, love

There's no doubt about it
you'll never be without it
don't you know it's always there for you

So when you're feeling OK
or when you're falling apart
I'll give you love, love, love

All I'm trying to say
is if you open your heart
I'll give you love, love, love

There's no doubt about it
you're going to scream and shout it
let me tell you one more time it's true

[...]

Every single little bit
Every single little bit I love you
(I love you)

[...]

I'll give you love
I'll give you love
Love, love
