In a heart beat

I'll be by your side

Anytime you want me

Baby in a heartbeat

I'll be there

If you're ever feelin' down

If your world ain't turning' 'round

I'll make it turn around for you

If you ever need someone

I would love to be the one

You call when you're feelin' all alone

Or if you just need a hand to hold

In a heart beat

I'll be by your side

Anytime you want me

Anytime you want me

In a heart beat

You can have my love

Anytime you want me

Baby in a heartbeat

I'll be there

If your sky is full of rain

I'll help you find the sun again

I'll chase the clouds away for you

I'll find a brighter day for you

Any hour of the night

I'll be there as fast as lightning strikes

And when you're feeling all alone

I'll be the hand that you can hold

In a heart beat

I'll be by your side

Anytime you want me

Anytime you want me

In a heart beat

I'll be there

You can have my love

Anytime you want me

Baby in a heart beat

I'll be there, aah

In a heart beat

I'll be there

I'll be by your side

Anytime you want me

Anytime you want me

Ooh, In a heart beat

I'll be there

You can have my love

Anytime you want me

Baby, in a heart beat

I'll be there
