If you're ever feelin' down
If your world ain't turnin' 'round
I'll make it turn around for you
I'll do whatever I can do

If you ever need someone
(If you need someone)
I would love to be the one
Call when you're feeling all alone
(When you're all alone)
If you just need a hand to hold
(When you need a hand to hold)

In a heartbeat
I'll be by your side
Any time you want me
Any time you want me

In a heartbeat
You can have my love
Any time you want me
Baby, in a heartbeat I'll be there

If your sky is full of rain
Help you find the sun again
I'll chase the clouds away for you
I'll find a brighter day for you

Any hour of the night
(You know i'll be there)
I'll be there as fast as lightning strikes
And when you're feeling all alone
(When you're all alone)
I'll be the hand that you can hold
(When you need a hand to hold)

In a heartbeat
I'll be by your side
Any time you want me
Any time you want me

In a heartbeat

You can have my love
Any time you want me
Baby, in a heartbeat I'll be there
(Baby, in a heartbeat I'll be there)

In a heartbeat
I'll be by your side
Any time you want me
Any time you want me

In a heartbeat
You can have my love
Any time you want me
Baby, in a heartbeat I'll be there

In a heartbeat
I'll be by your side
Any time you want me
Any time you want me

In a heartbeat
You can have my love
