Light is fading, darkness coming soon
Feeling lonely in this empty room

Something's been going wrong
I'm barely holding on
And it's true, all it takes is

One girl for just one minute
One world but you're not in it
One girl, all it takes is one

Lately, I find I'm feeling insecure
Is it just me I'm not really sure?

Something's been going on
I know it won't be long
And it's true, all it takes is

One girl for just one minute
One world but you're not in it
One girl, all it takes is one

It's getting very late
Why did she go away?
I needed her to stay
Look at the state I'm in

Something's been going on
How could I have been so wrong?
And it's true, all it takes is

You girl for just one minute
My world but you're not in it
One girl, all it takes is

One girl for just one minute
One world but you're not in it
One girl, all it takes is one
(Two)
One
(You?)
One
