Everybody dance

Sneaking Sally through the alley
Sneaking Sally through the alley

Sneaking Sally through the alley
Tryin' to keep her from sight
Sneaking Sally through the alley
My baby caught me last night

I said, "I can't find nothing wrong with being friends"
'Cause sometimes she lets me use her car
She said, "If you can't find nothing wrong in your mind
I know you've gone too far"

Sneaking Sally through the alley
Tryin' to get away clean
(Tryin' to get away)
Sneaking Sally through the alley
My baby saw the whole scene

So I began to try and explain
But it just wasn't, wasn't much of a thought
Now I should find me somebody new
(Somebody new)
'Cause this man has been caught

She caught me sneaking with Sally through the alley
(Sneaking with Sally)
Tryin' to get away clean

Sneaking with Sally through the alley
(Sneaking with Sally)
I know you know what I mean
(What I mean, what I mean)

Tryin' to get away
Tryin' to get away
Tryin' to get away

Sneaking Sally through the alley
Sneaking Sally through the alley

I talk double talk
Anything's trouble talk
Catching myself in lies

Mama, just look at me
Thinking about killing me
I saw it in her eyes
Oh, oh, oh

She caught me sneaking with sally through the alley
Tryin' to keep her from sight
I was sneaking with Sally through that alley
(Sneaking with Sally)
My baby caught me last night

Well, I was sneaking sally through the alley
Tryin' to get away clean
You know, sneaking with Sally without knowing
(Sneaking with Sally)
My baby saw the whole scene
Oh, oh, oh

Sneaking with Sally
