You say, you know me
You really know me
But you don't know me at all

Thinkin' that I just don't care
Any minute, I'm not there
Sittin' all alone, pickin' up the phone to call

You say, you need me
But though you need me
You wonder how did you fall

But if you swear it can't be true
That I should care the way I do
Then you don't know me at all

(Shoobi doo dam dam)
I'm not foolin' around
It's nothing new, I'm telling you
This heart of mine beats just for you

(Shoobi doo dam dam)
You're the only one
And there's no reason I should ever lie
(Oh, oh, oh, oh)

You say, you need me
But though you need me
You wonder how did you fall

But if you swear it can't be true
That I could feel the same way to
Then you don't know me at all

You don't know me
You don't know me
You don't
(Shoobi doo dam dam)
(Shoobi doo dam dam)
You don't know me at all

You don't know me

(Shoobi doo dam dam)
You don't know me
(Shoobi doo dam dam)
You don't know me, you don't know me at all

You don't know me
(Shoobi doo dam dam)
You don't know me
(Shoobi doo dam dam)
You don't know me, you don't know me at all

You don't know me
(Shoobi doo dam dam)
You don't know me
(Shoobi doo dam dam)
You don't know me, you don't know me at all
