They're gonna put me in the movies
They're gonna make a big star out of me
They'll make a film about a man that's sad and lonely
And all I gotta do is act naturally

Well, I bet you, I'm gonna be a big star
Might win an Oscar, you can never tell
The movie's gonna make me a big star
'Cause I can play the part so well

Well, I hope you come and see me in the movies
Then I'll know that you will plainly see
The biggest fool that ever hit the big time
And all I gotta do is act naturally

We'll make the film about a man that's sad and lonely
Begging down upon his bended knee
I'll play the part and I won't need rehearsing
All I gotta to do is act naturally

Well, I bet you, I'm gonna be a big star
Might win an Oscar, you can never tell
The movie's gonna make me a big star
'Cause I can play the part so well

Well, I hope you come and see me in the movies
Then I'll know that you will plainly see
The biggest fool that ever hit the big time
And all I gotta do is act naturally

And all I gotta do is act naturally
All I gotta do is act naturally
