When I was young
I never needed anyone
And making love was just for fun
Those days are gone

Living [™] alone
I think of all the friends I [™]ve known
But when I dial the telephone
Nobody [™]s home

All by myself, don't [™] wanna be
All by myself anymore
All by myself, don't [™] wanna live
All by myself anymore

Hard to be sure
Sometimes I feel so insecure
And love, so distant and obscure
Remains the cure

All by myself, don't [™] wanna be
All by myself anymore
All by myself, don't [™] wanna live
All by myself anymore

When I was young
I never needed anyone
And making love was just for fun
Those days are gone

All by myself, don't [™] wanna be
All by myself anymore
All by myself, don't [™] wanna live
All by myself anymore

All by myself, don't [™] wanna be
All by myself anymore
All by myself, don't [™] wanna live
All by myself anymore
