Don't go cold on me  
I need you now more than ever  
Don't go cold on me  
We can work it out together  
Oh, I'm a stupid man  
Always getting into trouble  
Baby tell me what's your plan  
'Cos I need you here on the double

Yeah -we can make it, make it  
Loving all through the night  
Yeah - we can make it, make it  
C'mon squeeze me tight  
Sugar

Don't go cold on me  
The squeak needs a wheel  
Don't go cold on me  
You got to know how it feels  
I'm so into you, I swear that it's true  
But there's always someone bringing me down  
It's wrecking my home, I wanna bury the bone  
Forty miles beneath the ground

Yeah -we can make it, make it  
Loving all through the night  
Yeah - we can make it, make it  
C'mon squeeze me tight  
Sugar
