What would you think if I sang out of tune
Would you stand up and walk out on me
Lend me your ears and I'll sing you a song
And I'll try not to sing out of key

Oh, I get by with a little help from my friends
I get high with a little help from my friends
Oh, I'm going to try with a little help from my friends

What do I do when my love is away
Does it worry you to be alone
How do I feel at the end of the day
Are you sad because you're on your own

No, I get by with a little help from my friends
I get high with a little help from my friends
Oh, I'm going to try with a little help from my friends

Do you need anybody?
I just want someone to love
Could it be anybody?
I need somebody to love

Would you believe in a love at first sight
Yes, I'm certain that it happens all the time
What do you see when you turn out the light
I can't tell you, but I know it's mine

Oh, I get by with a little help from my friends
I get high with a little help from my friends
Oh, I'm going to try with a little help from my friends

Do you need anybody?
I just want someone to love
Could it be anybody?
I need somebody to love

Do you need anybody?
I just want someone to love
Could it be anybody?
I want somebody to love

I get by with a little help from my friends
Oh, I get by with a little help from my friends
Yeah, I'm going to try with a little help from my friends
Oh, I get high with a little help from my friends
A little help from my friends

High with a little help from my friends
High with a little help from my friends
Try with a little help from my friends
Try with a little help from my friends

High with a little help from my friends
High with a little help from my friends
High with a little help from my friends
Try with a little help from my friends

High with a little help from my friends
High with a little help from my friends
High with a little help from my friends
Try with a little help from my friends
Try with a little help from my friends
Try with a little help from my friends
