Misery Business

I'm in the business of misery,
Let's take it from the top.
She's got a body like an hourglass that's ticking like a clock.
It's a matter of time before we all run out,
When I thought he was mine she caught him by the mouth.

I waited eight long months,
She finally set him free.
I told him I can't lie he was the only one for me.
Two weeks and we had caught on fire,
She's got it out for me,
But I wear the biggest smile.

[Chorus:]

Whoa, I never meant to brag
But, I got him where I want him now.
Whoa, it was never my intention to brag
To steal it all away from you now.
But god does it feel so good,
Cause I got him where I want him now.
And if you could then you know you would.

Cause god it just feels so...
It just feels so good.

Second chances they don't ever matter, people never

change.

Once a whore you're nothing more, I'm sorry, that'll never change.

And about forgiveness, we're both supposed to have exchanged.

I'm sorry honey, but I'm passing up, now look this way. Well there's a million other girls who do it just like you. Looking as innocent as possible to get to who, They want and what they like it's easy if you do it right. Well I refuse, I refuse, I refuse!

Whoa, I never meant to brag
But, I got him where I want him now.
Whoa, it was never my intention to brag
To steal it all away from you now.
But god does it feel so good,
Cause I got him where I want him right now.
And if you could then you know you would.

Cause god it just feels so...
It just feels so good.

I watched his wildest dreams come true
Not one of them involving you
Just watch my wildest dreams come true
Not one of them involving.

Whoa, I never meant to brag,
But I got him where I want him now.

Whoa, I never meant to brag
But I got him where I want him now.
Whoa, it was never my intention to brag
To steal it all away from you now.
But god does it feel so good,
Cause I got him where I want him now.
And if you could then you know you would.

Cause god it just feels so...
It just feels so good.

Crushcrushcrush

I got a lot to say to you
Yeah, I got a lot to say
I noticed your eyes are always glued to me
Keeping them here
And it makes no sense at all

They taped over your mouth
Scribbled out the truth with their lies

You little spies
They taped over your mouth
Scribbled out the truth with their lies
You little spies

Crush
Crush
Crush
Crush, crush
(Two, three, four!)

Nothing compares to a quiet evening alone
Just the one, two I was just counting on
That never happens
I guess I'm dreaming again
Let's be more than this

If you want to play it like a game
Well, come on, come on, let's play
Cause I'd rather waste my life pretending
Than have to forget you for one whole minute

They taped over your mouth
Scribbled out the truth with their lies
You little spies
They taped over your mouth
Scribbled out the truth with their lies
You little spies

Crush
Crush
Crush
Crush, crush
(Two, three, four!)

Nothing compares to a quiet evening alone
Just the one, two I was just counting on
That never happens
I guess I'm dreaming again
Let's be more than this now

Rock and roll, baby
Don't you know that we're all alone now?
I need something to sing about
Rock and roll, hey
Don't you know, baby, we're all alone now?
I need something to sing about
Rock and roll, hey
Don't you know, baby, we're all alone now?
Give me something to sing about

Nothing compares to a quiet evening alone
Just the one, two I was just counting on
That never happens
I guess I'm dreaming again
Let's be more than
No, oh

Nothing compares to a quiet evening alone
Just the one, two I was just counting on
That never happens
I guess I'm dreaming again
Let's be more than
More than this

My heart
I am finding out,
that maybe I was wrong.
that I have fallen down,
and I can't do this alone.
stay with me,
this is what I need, please.

sing us a song,
and we'll sing it back to you.
we could sing alone,
but what would it be without you?

I am nothing now,
and it's been so long
since I've heard a sound,
the sound of my only home.

this time I will be listening.

sing us a song,
and we'll sing it back to you.
we could sing alone,
but what would it be without you?

this heart,
it beats,
beats for only you.
this heart,
it beats,
beats for onle you.

(you...)
this heart,
it beats,
beats for only you.
my heart is yours.

this heart,
it beats,
beats for only you.
my heart is yours. (my heart beats for you...)

this heart,
it beats,
beats for only you.
my heart is yours.
this heart,
it beats,
beats for only you.
my heart is yours.

please don't go now,
please don't fade away, (my heart is yours...)
please don't go now,
please don't fade away. (my heart is yours...)
please don't go,
please don't fade away. (my heart is...)
