I'm tired of running, i'm tired of who i am  
I've been obsolved from this prison which i stand.  
I pray for freedom from everything i see  
Somebody please set me free  
Oh no i'm never looking back  
No now i'm in for the attack

Here i stand, you know who i am, running for the  
highway  
I'm the man  
Here i stand, catch me if you can, burning down the  
highway  
I'm the man,

I see your justice i watch your wicked ways,  
steal their minds  
and then you will betray.  
You feed them silence and make them lose their will  
freedom song running still.

Oh no i'm coming after you.  
No now there's nothing you can do.

Here i stand, you know who i am, running for the  
highway  
I'm the man  
Here i stand, catch me if you can, burning down the  
highway  
I'm the man,

Here i stand, you know who i am, running for the  
highway  
I'm the man  
Here i stand, catch me if you can, burning down the  
highway  
I'm the man,  
Here i stand, you know who i am, i'm running long  
Here i stand, catch me if you can, coming after you  
I've been running hard.  
I've been running long.  
I've been running so long.
