I've been looking in the mirror, i don't know what i'm  
tryin to find  
I hope in time i see things clearer, yea.  
I'm prayin' time will clear my mind.  
Darkened visions in my doorway  
Throw my heart upon the floor  
The only lesson that obey.  
Keep me comin' back for more

They say that love is so deceiving, like a picture on the  
wall.  
It breaks my heart and leaves me grieving.  
Gets me ready for my fall.  
When you cut me and leave me still breathing,  
leave me in time of need....well save me time to  
Bleed....save me time to bleed

Tearin me up on the inside, you leave me crying out in  
pain  
no more good it. Does me to hide, caus all my runnin's  
been in vain  
You throw me down while i am sleeping.  
Stick a knife right in my heart.  
I can hear you softly creeping, it ain't overtill you start.

Then you cut me breathing, leave me in time of need  
Save me time to bleed

You throw me down while i am sleeping,  
Stick a knife right in my heart, i can hear you softly  
creeping.  
It ain't over till you start  
They say that love is so deceiving, like a picture on the  
wall.  
It breaks my heart and leaves me grieving  
Gets me ready for my fall, when you cut me and leave  
me still breathing  
Leave me in time of need  
Well save me time, save me time  
To bleed...ha....save me time to bleed  
Time to bleed...save me time to bleed
