Feeling trapped i'll soon succumb
The hour strikes i'll turn and run
A piece of dream inside my mind.
I feel entomed i must remove
With depth of reason i should prove
give me trust for all is true
Only one, i enlist to follow on
From the dust all our ashes will be gone
That's right.

So i travelled on.
On into the darkened night.
Only you don't turn me down.
So i carried on, on into the dark and light.
Twist of fate is all i found. yea.

As i clean and dress my wound
The cast of blood and bone i lose
The penchant filtered thru the sky
Only fortune my mistake
soon to pay for vows i break
I'll search for solice deep inside

Only one, i enlist to follow on.
From the dust, all our ashes will be gone.
That's right

So i travelled on.
On into the darkened night.
Only you don't turn me down.
So i carried on, on into the dark and light.
Twist of fate is all i found. yea.

So i travelled on.
On into the darkened night.
Only you don't turn me down.
So i carried on, on into the dark and light.
Twist of fate is all i found. yea.
