whoa whoa whoa whoa-a-a-a-a (4 times)

maybe its time we take a break from all the wrong that  
we have put between us,  
so when that day comes back around i will never forget  
you,  
i love you that much i do so when that day comes back  
around, i will never forget youuuuu

prehours:(1,2,1,2,3,4)

chours:i will never forget you until the day i die tonight,  
you and me thats all i ever wanted,  
until the day i die tonight thats right u and me,  
i will never forget u,  
until the day i die tonight

ooooowhoa sumwhere youll find that i still have  
feelings for you,  
but you wouldnt know that cause,  
your not here with me, and it breaks  
my heart it does, but i will never forget you

pre-chours/chours

but i think its time we take a break,  
from all of the wrong that we  
have put between us  
so when that day comes back around i will never  
forget u i love u that much i do  
even if its 5 million years away  
i will be here waitin for you  
so dont our love go away-y-y-y-y-y-y-y-y

pre-chours/chours

i will never forget you until the day i die tonight
