was so much colder then,  
My father was a soldier then.  
And times were very hard,  
When I was young.  
I smoked my first cigarette at ten,  
the girls (?) since then.  
ball  
When I was young  
When I was young,  
it was more important  
much louder  
When I was young.  
I met my first love, at thirteen,

She was brown, and I was pretty green,  
And I learned quite a lot,  
When I was young.  
was so much colder then,  
my father was a soldier then.  
Times were very hard,  
When I was young.  
When I was young,  
It was more important,  
but much louder  
When I was young.
